Directions
Follow signs to the Marina Piccola port in Sorrento.

• Once you've reached the small square fronting the port, you will see a red brick building with a bar, a souvenir shop, and a tobacconist on the right. Pass this building and follow the road along the water's edge to the end.

Next to the last red front door, you will find the sign for Marina Piccola 73 with the doorbell and intercom that rings at the front desk.

PLEASE NOTE: Due to a mapping malfunction, Google Maps does not show this waterfront road on its maps. Follow our written directions instead of Google Maps once you've arrived at the port.
